## CHANGES TO FOX USHER UNIFORMS - AUGUST 1

As we all know, uniforms allow our ushers and Guest Services associates to look alike, in a readily identifiable uniform, which offers you one of professionalism, organization, reliability and consistency.

On the left side of the vest will be the nametag. On the right side will be the US Bank Broadway series pin. (So, switching sides.)

—

One (1) 'YEARS OF SERVICE' pin will be allowed. If someone has reached 15 years, they may only wear their 15-year pin.

—

And, one show pin only if that show is playing at the time. For example: *Lion King* pin during the run of *Lion King*.

—

No other pins are allowed other than these.

No more Fabulous Fox pins nor multiple performance pins.

## ATTENDANCE POLICY

**Reminder:** Associates and Ushers are required to maintain a 60% attendance record.

Notifications of removal from the Fox Theatre usher program will be made after July 31, for those ushers with less than 60% attendance.
