The ultimate love story continues in **LOVE NEVER DIES**, Andrew Lloyd Webber’s spellbinding sequel to *The Phantom of the Opera*. The year is 1907. It is 10 years after his disappearance from the Paris Opera House and The Phantom has escaped to a new life in New York where he lives amongst the screaming joy rides and freak shows of Coney Island. In this new, electrically charged world, he has finally found a place for his music to soar, but he has never stopped yearning for his one true love and musical protégée, Christine Daaé. In a final bid to win back Christine’s love, The Phantom lures her, Raoul, and their young son Gustave to the glittering and glorious world of Coney Island ... not knowing what is in store for them.
